CodSoft

Jan 2024 - Feb 2024

Web Development internship

"Front End Web Developer with hands-on experience gained through a 1-month internship. Proficient in developing responsive and user-friendly web applications using HTML, CSS, and JavaScript. Collaborated with team members to implement design solutions and optimize website performance. Demonstrated ability to adapt quickly to new technologies and contribute effectively to project objectives."

Alter Learning Inc.

Jan 2024 - Present

Frontend Developer

- Developed responsive user interfaces utilizing React and Angular frameworks, ensuring cross-browser compatibility and optimal performance.
- Collaborated with cross-functional teams to design and implement features, adhering to Agile methodologies for timely delivery.
- Implemented state management solutions such as Redux and NgRx to efficiently manage application data and enhance user experience.
- Optimized website performance through code refactoring, lazy loading, and bundling techniques, resulting in a 20% decrease in load times.
- Stayed updated with the latest front-end technologies and best practices, continuously improving skills and driving technological advancements within the team.
